

2020 Employee Virtual Wellness Fair

Due to the COVID-19 Pandemic, we are unable to host our annual wellness fair. In its place, we are holding virtual wellness events starting the week of November 1. The programs will begin after 5 PM to enable all employees to join after work hours. Those that are unable to attend live will also have the option to watch the programs later as we will post the recorded versions of the presentations on the Benefits Webpage. To register, click on the registration link and fill out the form. You will receive the Zoom information via your RCSDK12 email address before the event. **We will also post the links to register on the Benefits webpage.** The following are the scheduled presentations:

November 3

Healthy Eating on a Hectic Lifestyle

6PM to 7PM

Summary:

Krista Lehde of Be Healthy Buffalo will be exploring the idea of incorporating healthy food into your diet via meal prep. We will discuss different ways you can meal prep and will showcase how meal prep is a way of being organized to enable you to get the best bang for your buck. It's not as complicated as it sounds and we will give you information to help you get started.
