BENTE MEMBERS RALLY AT BOARD MEETING AFTER WAITING 4 MONTHS FOR RETRO PAY

The new BENTE contract was approved by the School Board in August, and new rates were effective in October, so our members were hopeful that they would have received their retro pay shortly after. Unfortunately, every pay period we were told "We might be able to get it entered into the next paycheck". This went on for two months, until President Palmerini decided to take action. "We got to a point where we felt there was no urgency on the District's part to pay our members, and we knew we needed to take action".

President Palmerini let members know that we would be attending the 12/19 Board meeting to express our frustration to the Board of Education, and he asked for members to show up and they did! BENTE members meeting to fight for what was

President Palmerini, Vice President Rinebold all the BENTE members. They have with the lack of communication between the union and the district. Vice President Rinebold stated. "The retro pay is a symptom of a bigger problem. Lack of communication, and more specifically, lack of follow-through, is a constant concern we have. Everyone knows perception matters, and this lack of follow-through is perceived by our members as a lack of respect".

"It's not just about the retro pay. It is about our members deserving respect and feeling valued for the work that they do every day".

Board of Education, and he asked support, and that is exactly what packed the seats at the Board owed to them.

Secretary Treasurer Kuhn, and spoke to the Board on behalf of discussed the ongoing concern

Thankfully, most of our members received their retro pay on 12/27. The remainder received their pay on January 10th. Thank you to everyone who came out to support us!

CONTRACT BOOK UPDATES

The new contract books are being finalized and signed by all parties, and will be going to print shortly. Once they are received, our office will label and ship them to each member. In the meantime, the new contract can now be found on the BENTE website.

BENTE MERCH STORE

We opened an online store with BENTE merchandise available. Although the store was only open for a limited amount of time, we still have short and long sleeve shirts available for purchase at the Union office. Please call the office for details.

A Spring store will be opened with new merchandise and color options. Stay tuned!

BENTE DAY REMINDER

Don't forget that the 1st Friday of every month is BENTE day. Call the office and let them know you are sporting your BENTE merch (shirt, lunchbox, lanyard, etc) and you will be entered to win a prize!

INCREASE IN CAR BREAK INS

Car break ins continue to be a concern across the city. There have been recent break-ins at several school, as well as the Central Office parking lot.

As a reminder, please be sure you are securing your vehicle, and removing anything valuable from inside.

President Palmerini has been in contact with the District regarding an extension of the MOA that was in place regarding reimbursing members for their insurance deductibles. Once details are finalized, a communication will be sent out to all members regarding this matter.

STAY UP TO DATE ON UNION NEWS

Be sure to check your District email for updates from President Palmerini. All updates that are sent through email will also be posted on the BENTE website: Bentelocal2419.org

Follow our Facebook page: BENTE2419

SUPERINTENDENT ANNOUNCES PLANS TO CLOSE MIDDLE SCHOOL AMONG OTHER FACILITY UPDATE PROJECTS

In an email sent to all staff on January 24th, Superintendent Strickland announced his recommendation to the Board to close Northwest at the Douglass campus. Andrew Langston Middle school, currently located at the Jefferson campus, would move to Douglass. The vote on this will take place at the February 27th Board meeting. Please remember, this is not final until it is voted on by the Board, and that the language in the BENTE contract is different than other bargaining units regarding school closings and displacements.

“There is not much we can speculate on until we have all the details” states President Palmérini. Once the Board votes, and staffing takes place in the Spring, we will have a better picture for our members, but we are not anticipating any significant cuts at this time”.

Superintendent Strickland also announced the District is entering phase III of the Facilities Modernization Program.

ASK THE UNION

Member: We had two snow days, in January, how do I record my time?

When the District calls for an emergency closing, such as a snow or cold day, you should be entering your time as REG, just as if you were working. This is also the case for any paid holidays.

Member: I was required to work on the snow day, do I get paid overtime?

The inclement weather provision in our contract states that members who work their regularly scheduled hours when schools are closed due to inclement weather, will receive a full day’s pay at straight time, in addition to hourly compensation at straight time for hours worked.

Member: But I worked outside of my normal work hours.

Members who work outside of their regularly scheduled hours when schools are closed due to inclement weather, will be paid at one and one half (1 1/2) times their regular hourly rate for all hours worked outside of their regularly scheduled shift.

DISTRICT UPDATES ON COVID PAY

The District has sent communication regarding Covid pay, that includes when you should stay home, if you will receive Covid pay, and what requirements you need to meet. If you have any questions regarding this information, please contact the Benefits department.

What is the process to receive COVID Pay?

1. Notify your supervisor that you are going to be out of work.
2. Follow the normal process for reporting your absence. Your supervisor will put illness or unpaid illness on your timecard as the absence will be assumed to be illness initially.
3. Get tested for COVID:
 - a. If you have never used COVID pay before, you can use a home test.
 - b. If you have used COVID pay before, you will need to have a positive test from a lab or a note from your doctor that you are positive for COVID.
4. Complete the [NYS COVID Attestation form](#). You can also scan the QR code to the right once you have returned to work.
5. If your absence is 4 or more working days, you must submit a [Certificate of Personal Illness](#) (CPI). You can use the CPI form OR you can submit a note from your doctor as long as it states you were unable to work due to your own COVID infection and subsequent symptoms and includes the date you are cleared to return to work. If you were out less than 4 days – you can skip this step.
 - a. Please note this requirement for a CPI for 4 absences or more is required for instances of COVID only and applies to all staff and in all unions. For non-COVID illness absences, refer to your union contract for requirements.
6. Email benefits@rcsdk12.org or fax 585-295-2614 the positive test, completed attestation form, and the CPI if you were out 4 or more days.

If I have COVID – How long do I remain home?

You should stay home while you are sick. Specifically, you are permitted to return to work when both items below are true:

- You are fever free for 24 hours without medication **AND**
- Any symptoms you have are improving

Example 1: if you tested because you have family members in your house who are sick and you tested positive but are not sick yourself. You DO NOT have to isolate – we ask that you wear a mask for 10 days while at school.

Example 2: You are not feeling well and test Monday evening and it comes back positive for COVID. On Tuesday you stay home because you have a fever, have a cough, and chills. Tuesday night, you check your temperature before you go to bed and it is back to normal (98.6F). You should remain home Wednesday because you need to be fever free for 24 hours before returning to work.

Example 3: You do not have a fever but have had a cough for 2 days. You test for COVID on Wednesday before you come into work, and it comes back positive. While you never had a fever, you have a cough until Friday afternoon. You would remain home through Friday because your COVID Symptom did not improve until Friday.

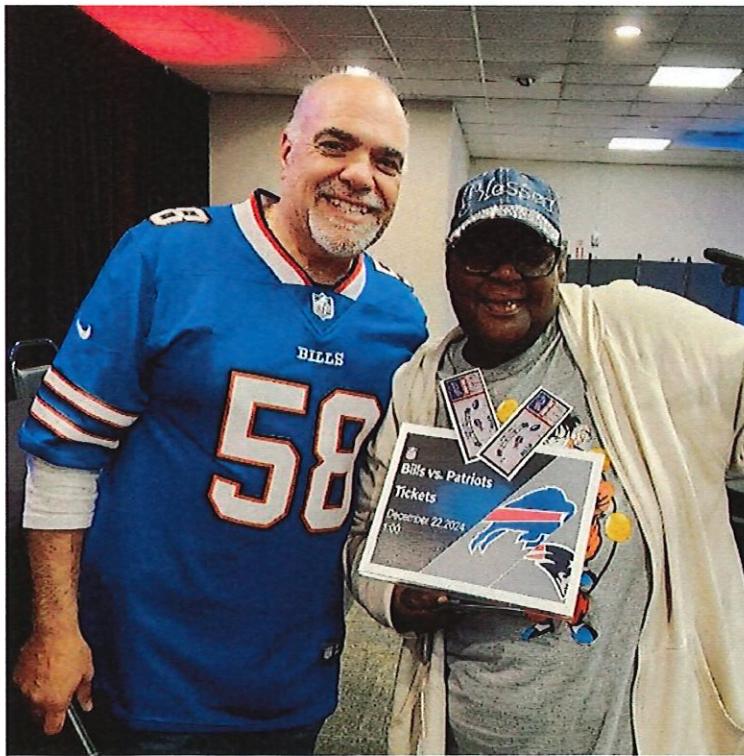

How many times can I be paid NYS COVID Pay?

New York State allows for a person to be paid up to 3 times per person. Each instance does not have to be a minimum number of days. If you feel you may only be out one or two days and do not want to use one of your 3 instances for that, you are not required to submit for COVID pay and can use your personal illness days. But any use of COVID, regardless of the number of days, will be considered one of your 3 instances.

BENTE TAILGATE AT THE UNION HALL

BENTE members gathered in November for a fun afternoon at the Union Hall for some food, football, and raffles! Be on the look out for other events throughout the year, including the Silent Disco, our end of year picnic, and Bingo.

SAVE THE DATE: MEMBERSHIP MEETING/PICNIC

The end of year membership meeting/picnic has been scheduled for 6/5/25 at the Longhouse shelter at Seneca Park. We will hold our monthly meeting, along with our 25 year award ceremony, and announce the recipients of this year's scholarship. Since this is a membership meeting, it is for dues paying BENTE members only.

HOLIDAY GIFTS

BENTE officers made their rounds throughout the buildings to deliver holiday gifts. If you did not receive your gift card, please call the BENTE office.

10 Year Keychains

"I have been working here for 15 years, why am I just getting a keychain now"?

You may have noticed while we were delivering holiday gifts, some received a 10 year keychain as well. We just started offering them this year, so in addition to distributing them to members who just made 10 years, we caught up on those who have surpassed this milestone as well!

NEW EXECUTIVE BOARD MEMBERS APPOINTED

Dan Strassner, Custodian Engineer at Monroe High School, has been appointed the Unit Chairperson for Custodial. Dan has been a BENTE member for 27 years. He has previously held the Custodial Steward title, and more recently the Vice Chair position. In addition to being the Custodian Engineer at Monroe, he also oversees the Custodial operations at School Without Walls. Dan brings a wealth of knowledge to the Board regarding the needs of our Custodial staff.

Stacia Goldberg, School Secretary at #23, has been appointed the Unit Chairperson for Elementary Clerical. Stacia has been a BENTE member since 2018. She has previously held the trustee title. Stacia attends all union functions, and is a helpful volunteer at our annual Labor Day event. Stacia's role as Unit Chairperson will allow her to have a voice for the Elementary Clerical members throughout the district.

UNIT OFFICERS

ATTENDANCE

Unit Chair	Kenneth Davis
Vice Chair	Leslie Hunter
