Vehicle Damage Reimbursement Information **2024-2025**

Unfortunately, BENTE member vehicles continue to be damaged while members are working. BENTE entered into a Memorandum of Agreement (MoA) with the RCSD, where the District will reimburse BENTE members who have experienced vehicle damage while at work. BENTE will facilitate this process. Please see below for the details and information needed.

1. Reimbursement will be no more than the deductible requirement for the member.
2. Vehicle damage must have occurred to a registered vehicle between September 1, 2024 and June 30, 2025, on or near District property while the member was completing employment duties in their primary work assignment on behalf of the District.
3. In order to process a reimbursement claim, BENTE needs the following information:
 - a. Date of claimed damage.
 - b. Police report documentation.
 - c. Deductible information from the applicable insurance policy.
 - d. Repair cost documentation.

Please reach out to the BENTE office if you have any questions.
