Karl,

So in the middle of a pandemic, the District is not offering to continue health insurance for these employees?

Good afternoon, Dan –

With respect to the issues surrounding the food service list and the reduction of hours, please continue to work with Meghan and Chris.

Following a thorough review of the related issues, the District regrettably must withdraw any and all proposals regarding furloughs.

If you have any questions, or wish to discuss any of this, please let me know.

Thanks,

Karl
